

Ongi etorri pelud@!

We know how important our puppy is for the family, especially when it comes to traveling. That is why at Tayko Bilbao we are delighted to receive them. We have some rules in order to coexist with the rest of the hotel guests, so we get serious.

- Reservations are only accepted with a dog upon request and confirmation by the hotel.
- The accommodation of only one dog per room is allowed.
- The accommodation of the four-legged friend has a supplement of € 20 / night VAT included.
- You must always be properly tied with your leash and you will not be able to walk or run through the common areas. You will not be allowed to pass through the restaurant areas (bar / restaurant).
- The hotel reserves the right to cancel the cleaning or daily maintenance of its room and declines any responsibility to its owner, for any damage that may cause during the stay
- The person in charge of the dog must take care of the correct hygiene and the good behavior of the hairy one, and be tolerant with the rest of clients that can be allergic or annoying (barking, etc.).
- As the owner of your dog at the Tayko Bilbao hotel, you must comply with the regulations in force and be solely responsible for the actions that may arise from the behavior of your dog, exempting the establishment of any responsibility. If these rules are not met, the hotel reserves, in fact, the right to cancel your reservation at any time.
- Do not forget to sign the rules of coexistence when you arrive at the hotel. We will request a contact phone number, in case we need to contact you at any time.
- We have a lot of information about walks in Bilbao, beaches for dogs, dog excursions, and we will be happy to meet the needs of your four-legged friend.
